ABOUT OUR CLINIC

Welcome to Whole Kids Health!

We are a thriving practice dedicated to delivering high-quality mental health care to children, teens, and families. We offer a diverse range of services, including psychological and psychoeducational assessments, child and youth therapy, group interventions, parent coaching, and consultations. Committed to comprehensive interventions and personalized care, our team employs evidence-based approaches tailored to each child's unique circumstances. We also provide Health Psychology services, recognizing the intersection of physical and mental health.

If you're a skilled psychologist passionate about exceptional care, join our dynamic, collaborative team at Whole Kids Health!

WHAT YOU WILL GET TO DO

We are seeking an autonomous psychologist passionate about delivering excellent care to children, youth, caregivers, and families, coupled with a dedication to training and mentoring future psychologists. Proudly serving as a training center for PhD-level trainees and Supervised Practice clinicians, we are looking for a psychologist equally enthusiastic about providing high-quality supervision and mentorship.

As a valued Whole Kids Clinician, you will:

- **Participate in a variety of clinical activities**, including assessments, therapy, group interventions, parent coaching, and consultations.
- **Provide psychological consultation, assessment, formulation, diagnosis, and treatment** to children and adolescents with a broad range physical and mental health needs.
- **Conduct thorough psychological assessments** to identify and diagnose mental health issues in children and adolescents.
- **Develop and implement personalized treatment plans** based on evidence-based practices.
- **Provide clinical teaching and supervision** to Doctoral Associates, Psychology Practicum Students, and Supervised Practice clinicians.
- **Collaborate with other professionals**, including pediatricians, neurologists, physicians, psychiatrists, social workers, and educators, to ensure integrated and coordinated care.
- **Participate in Whole Kids team meetings** to foster collaboration, knowledge sharing, group consultations, and team connectedness.

WHAT YOU WILL NEED

- Registration in good standing with the College of Psychologists of Ontario for autonomous practice.
- Competence in Clinical Psychology, authorized to work with children and adolescents. Priority consideration will be given to candidates also competent in Health Psychology.
- Strong adherence to professional standards and ethical conduct.
- Experience in providing clinical supervision to psychology trainees
- Excellent assessment, diagnostic, and treatment skills.
- Excellent interpersonal and organizational skills.
- Strong oral and clinical writing skills, with a commitment to timely documentation and record keeping.

WHAT YOU WILL LOVE

- **Convenient location:** Whole Kids Health is ideally situated just a short walk from Yonge-Sheppard Station, ensuring easy TTC access.
- **Modern clinic:** Our recently renovated clinic boasts four therapy rooms, a flexible team/admin room, a fully equipped kitchen, secure restrooms, and front desk security.
- **Hybrid model:** Enjoy the flexibility of a hybrid model, allowing you to provide both in-person and virtual services.
- **Flexible working hours:** Flexible working hours to accommodate your schedule.
- **Full administrative support:** Comprehensive administrative support, including intakes, billing, clinic coordination, and more.
- **Access to resources:** Clinic email, Jane electronic health record system, Zoom for Healthcare, team communication app, cloud-based storage, therapy material, assessment tools, and more.
- **Regular team meetings:** Engage in regular team meetings for collaboration, consultation, and professional development.
- **Supportive environment:** Join a supportive, collaborative, and team-centric clinic environment where your contributions are valued.

HOW TO APPLY

At Whole Kids Health, we prioritize not only the well-being of our clients but also the satisfaction and growth of our team members. Join us in a fulfilling and supportive work environment where you can thrive both personally and professionally. **Please submit your resume and cover letter to info@wholekidshealth.ca**

We look forward to welcoming a passionate and dedicated psychologist to our Whole Kids Health team!
